I worked with Joris for quite a while on the website for [BNA](#). I experienced him as a fast worker but still very clear, with a good know-how and able to make clear, logical and user-friendly decisions.

*Florian Mewes,
Graphic Designer at Thonik*

Joris' qualities:

- Clean design with a focus on clear navigation and visuals;
- Cooperative thinker;
- Combines design and technology with the emphasis on design;
- Up-to-date on latest developments, technical knowledge and ability make him a very fast worker;
- Passioned about making well-designed websites.

*Ramin Visch, (Interior) Architect,
Studio Ramin Visch*

We hired Joris to develop [our own site](#) and later as an advisor on a pitch for the website of [North Sea Jazz](#). [...] We will be working with again him in the near future.
